Dear Inmates,

Congratulations! You have successfully completed License Plates 101-102, and Advanced Cage Rattling, so they're unlocking the gates and letting you out of your cells (no, this is not one of Mr. Gilbert's biology lessons). That means (sob) my term as (game) warden has ended.

No more jailbirds nesting in my wastebasket (get off the can and onto the stick), complaining about the food in the cafeteria (macaroni and slease), filling the Hi-C machine (more like Hi-B flat), running dances (S.P.U.D.), shooting magnets in World Hystereotomy (repelling invaders), painting my Spanish classes "verde" (get Pamelsquida out of the "Juan"), not being "physically" present in Physics (gone fission), trying to pass the B.C.'s (B.C. not B.S.), selling ice cream to unsuspecting scholars at exams (What year did we buy that stuff anyway?) and planning the Senior Ball (Who's cleaning up all the crêpe?).

I'll miss you (What's the sentence for perjury?).

Your dedicated,  
hardworking, longsuffering  
warden,  
Karen Moore

#### PRINCIPAL'S MESSAGE

Congratulations to the Class of 1981. Your class, the first to complete its entire six year sequence in our new building, has set high standards of achievement for those classes which follow. You have seemed to sense the importance of education and have worked diligently to reach the goals set for yourselves. Along with this meaningful emphasis on education at the same time you have enjoyed yourself with high participation in the co-curricular activities available at Mill River. Your experiences have brought new friendships, good time, and experiences that you will never forget. You have respected each other, and above all, you have enjoyed yourselves, blending academic seriousness, with a sensitive social scene. Take the future and let it be yours; make the world and your place in it what it ought to be.

My very best wishes to you all for a happy and successful future.

The members include Bryton Billado — lead, rhythm acoustic 12 string guitars and vocals, Keith Edmunds — lead guitar and acoustic 12 string guitars and vocals, Jim Gilman — bass guitar and vocals, Todd Bellinger — vocals, Ross Edmunds — drums and percussion. ### Students Travel Back in Time

The American Studies Class, under the direction of Mr. Harlow and Mr. Probst, once again took the traditional trips to Old Sturbridge Village and Plimoth Plantation. At Plimoth the students got to know the guides who portrayed actual, known residents of the colony in 1627. Some of the students got a special treat by playing a colonial game called Pillow Bear. In this game two players try to knock each other off of a long pole suspended on barrels.

Ski Team: Left to Right: Peter Sabatino, Rob Partlow, Norm Bingham, Chris Kilburn, Scott Ward, Steve LeBlanc, Coni Gilman, Farley Blackman, Todd Kellogg, Todd Kilburn, and Mike Johnston.
